FQ	Fixed quarter for attendance return	The months in the year when we need quarterly attendance confirmations.
		Learners will automatically appear on your attendance confirmation worklist.
	Drawdown date	You will need to confirm attendance by this date to receive payment in that month. If you confirm attendance after the drawdown date, we will make the payment the following month.
	Payment date	The date when we will make a payment for all learners who have a positive attendance confirmation.
AA	Assumed attendance	In these months, attendance is assumed. You do not need to submit a subsequent attendance confirmation.
		You may still submit initial attendance confirmations if you have learners reaching their initial liability point.
